INT. BLUE ROOM - DAY

LIL PERKY, little person, 24, expressive rapper with face tattoos and rainbow colored hair sits at the table with his luxurious possessions ready for his GQ interview.

NOTE: Lil Perky mainly talks directly into the camera.

LIL PERKY

Hey, what's up GQ it's Lil Perky here. And these are my essentials!

An establishing shot showcasing all of Lil Perky's essentials. From jewelry, electronics, etc.

LIL PERKY (CONT'D)

When GQ hit me up and asked if I wanted to do a top 10 essentials video. I said hell ya but first I had to look up what the word essential means. I was still confused. But then I asked my manager to explain it to me as if I was a five-year-old and I still had no clue what it meant. So now I just brought in some stuff I use on a daily basis.

Another establishing shot of all his essentials.

LIL PERKY (CONT'D)

When I wake up in the morning and look into my 26 mirrors. I ask myself how can be different. So, with these essentials you won't see anywhere else. So, my very first item is probably something you've never seen on this show before... a Rolex set.

An off-camera crew member tosses the Rolex set to Lil Perky.

An establishing shot showcasing the 10 piece Rolex set. But, two watches are missing from the box.

LIL PERKY (CONT'D)

So, this is my Rollie set. The 10 Commandments Edition. It's like a Jesus piece for my wrist. Yea, these rollies are pretty special because each one of them has one of the ten commandments scripted on them.

He picks up the "Thou shall not have any gods before me" watch and shows it to the camera.

LIL PERKY (CONT'D)

Like Thou shall not have any gods before me.

He picks up the "Thou shall not covet" watch and shows it to the camera.

LIL PERKY (CONT'D)

Thou shall not covet.

He picks up the "Thou shall not murder" watch and shows it to the camera.

LIL PERKY (CONT'D)

Thou shall not... we ain't gonna talk about that one too much.

He quickly puts that watch back in the set.

LIL PERKY (CONT'D)

Yea, this is probably one of my most prized possessions. As of today, there's only four of them in the world. I own this one, I think Joel Osteen and Yung Gravy own the other two. And I think some Indian billionaire owns the last one.

GQ PRODUCER (O.S.)

I see two are missing from the set. What's the story behind that?

LIL PERKY

Oh yea, I lost one of them when I was on tour back in 2018. I think I was in Houston when I met this pretty little high school shawty. Man, he was someone special. I invited her backstage to my dressing room where we had a lot of fun. I'm not gonna get into too much detail but she was a freak. Almost too freaky. Like scary freaky. It's like she snatched my soul right outta my body. But turns out she just snatched my watch right out of the case when I wasn't looking.

Another establishing shot of the Rolex set.

GQ PRODUCER (O.S.)

It's rare to see celebrities bring essentials with religious ties. Are you a religious person?

LIL PERKY

Nah, I wouldn't consider myself a religious person. But it ain't hard to believe in a higher power when you got all this money.

GQ PRODUCER(O.S.)

Do you have a favorite watch in the collection?

LIL PERKY

Actually, my favorite piece is the other one that's currently missing from the set. The "Thou Shall Not Commit Adultery" piece. Yea it was really near and dear to my heart. I gave it to a girl I met in Atlanta. We were backstage and she was feeling me, and I was feeling her. But her phone kept going off and she was ignoring her calls. Then I caught a glance at her lock screen, and it was a picture of her and some kids. Then I looked down at her ring finger and my conscience just couldn't go through with it anymore. I had to asked her to leave. I told her to go home the kids miss you. And I gave her the Rollie as something to remember me by. And yea, I would say I'm a pretty good person for that.

Another establishing shot of Lil Perky's essentials.

LIL PERKY (CONT'D)

GQ told me all these Rollies couldn't count for my 10 essentials. So, here's my next essential... my bedazzled anal plug.

An off-camera crew member tosses the anal plug to Lil Perky.

An establishing shot showcasing the bedazzled anal plug.

LIL PERKY (CONT'D)

This was actually a Christmas gift from my ex-girlfriend of 8 years. Shoutout to you baby.

(MORE)

LIL PERKY (CONT'D)

Our last Christmas together she said she wanted to spice things up in the bedroom, so she made me this.

GQ PRODUCER (O.S.)

Wait, she made you that?

LIL PERKY

Yea, my baby so creative. This was a no money spent Christmas. We wanted the gifts to come from the heart. I made her a cute little macaroni necklace and she made me this. Wanna see something cool?

He shakes the anal plug, something rattling around inside.

LIL PERKY (CONT'D)

You hear that, if you click this button, it's also a pez dispenser. By the way pez's are my favorite candy.

Lil Perky clicks the button and a pez falls out. He tosses the pez in his mouth.

LIL PERKY (CONT'D)

What also makes this so essential is that the tip of the plug is a lighter. So, if you double click this button the lighter comes on. Very handy if I'm ever on a desired island or I just smoking some blunts with the homies.

GQ PRODUCER (O.S.)

Why in any of those situations would you bring an anal plug?

LIL PERKY

Hey, that's my damn business!

Lil perky throws the anal plug at the camera.

An establishing shot showcasing a worn down laptop.

LIL PERKY (CONT'D)

My next essential is my laptop. You may think this is where I write all of my raps and edit my music... nah. This is my special projects laptop where I like to pleasure myself with all my old sex tapes.

(MORE)

LIL PERKY (CONT'D)

As you can see this laptop is pretty worn down. It's about time to get a new one, it's been about six months. And as you can see by all the dried semen on screen and the spacebar sticking to the inside on the keyboard. It's been a lonely 6 months for your boy. My lawyers told me I had to cold down for a while and lay low after all my sexual assault allegations came out. So they got this laptop for me--

A **POLICE OFFICER** busts through the room interrupting the interview.

POLICE OFFICER
Freeze! Hands in the air!

LIL PERKY
Hey, what the hell is going on?

POLICE OFFICER
Ladies and gentlemen we got him. We have a warrant for the arrest of Mr. Julio Dontarius DonPablo Escobar III. Better known as Lil Perky. For 27 counts of sexual misconduct with minors, married women, and pez dispensers.

The officer handcuffs Lil Perky and drags him out.

LIL PERKY
Wait, what did I do? GQ you set me up! Lil Perky's innocent. LP didn't know she was 15. LP can't go to jail. Help!
