

TEDDY

Written by

DAVID MALONE

**EXT. NORTH POLE - NIGHT**

In the distance a silhouette hikes in a blustery winter storm approaching a big Christmas theme lodge.

**INT. SANTA'S WORKSHOP - MOMENTS LATER**

A knock on the door.

SANTA (O.S.)

Coming!

**SANTA** opens the door.

**KAYLA**, 20's, geek squad attire.

KAYLA

Hi, I'm Kayla.

(checks phone)

TaskRabbit for St. Nick.

SANTA

Yes, yes. That's me, come in! Make yourself at home.

Santa and Kayla walk towards the toy workshop area.

SANTA (CONT'D)

I'm so glad you were able to make it on such short notice. This is absolutely the worst day of the year to be short staffed.

KAYLA

What happened to all your little helpers?

SANTA

They left me high and dry. Them little bastards went on strike. Bitchin' about child labor laws or something.

KAYLA

Wow that's rough, so what's your first assignment for me.

SANTA

Ah, yes let's see. I'm going to have you start prepping the teddy bears.

KAYLA

Okay sweet.

Santa opens up a cabinet drawer labeled "**TEDDY BEARS**".

There's only one teddy bear casing left with a note on it that says "SCREW U BIG GUY - ELF STEVIE".

SANTA

Damnit, they really cleaned me out. I guess we're just gonna have to make do. I gotta go find more teddy bear casings but for now let me show you how to prep this one.

Santa picks up the TEDDY bear casing. It's alive!

TEDDY

Who's ready for Christmas!

Santa and Kayla screams. Santa drops Teddy.

His body lays there flat.

TEDDY (CONT'D)

Come on big boy, we've only got six hours til' sunrise. So hurry and fill me up, so I can jump in that big sack of yours.

KAYLA

What did he just say?

SANTA

Oh nothing! Just ignore him, he's probably just another defect the elves put in here to mess with me.

TEDDY

Who you calling a defect bitch!

KAYLA

Do the toys normally act like this?

Teddy's deflated body dances on the ground, air humping.

SANTA

Usually not, but he's all we got right now so let's bring him over to the stuffing station.

Santa picks up Teddy and they all walk over to the station.

TEDDY

Bow, hello! I like the sound of that. The stuffing station. Oh Santa, I want you to stuff me so hard. Make me plumped than Ms. Claus bitch!

Teddy slaps Santa.

SANTA

Teddy, that's enough!

TEDDY

Oh, I'll let you know when I've had enough.

(whispers in ear)

Our safe word's gonna be "don't stop".

A disgusted Santa places Teddy down on the workbench. Santa walks Kayla through the teddy bear making process.

SANTA

So, what you want to do is, turn on the vat of wool. Get that going. Then when that's all warmer up. Take the vacuum nozzle and insert it the--

TEDDY (O.S.)

Put it in me, Santa!

Teddy grabs the nozzle from Santa and puts it in the hole of his crotch himself.

Teddy likes the way that feels, he rapidly shoves the nozzle in and out of him. As he begins to moan.

TEDDY (CONT'D)

Oh yea, oh yea. You like that, you like that! Yea you do.

Santa puts his hand over Teddy's mouth.

SANTA

Teddy, would you stop that! We have a guest.

KAYLA

I don't think I'll be able to remember all of this. Is it okay if I film this?--

SANTA

No! God no. Just... hit that button.

Kayla hits a button on the machine. Teddy starts to get inflated with wool.

Teddy bangs his hand on the table, moaning in pleasure.

TEDDY

Oh, yea right! Right there! Oh God.

Santa pulls the nozzle out of Teddy. He's now a fully inflated teddy bear.

TEDDY (CONT'D)

Woo, now that was a workout.

Teddy grabs Kayla's hand and high-fives himself.

Kayla and Santa are left puzzled.

SANTA

(to Kayla)

Now all that's left to do is--

TEDDY

Zip my snatch up, big boy!

SANTA

(reluctantly)

Yes, sew up his under region. Do you know how to manually sew?

KAYLA

Yea, I can take it from here.

SANTA

Great, I got to go change the oil on the sleigh. I'll be back to check on you in a bit.

Santa exits.

Kayla starts to sew up Teddy's crotch. Awkward silence between the two.

KAYLA

So Teddy, are you excited for Christmas?

TEDDY

Oh yea, I can't wait to snuggle up with someone's daughter every night. Oh, I hope she's scared of the dark. Or thinks there's a monster under her bed. Oh yeah, baby I'll protect you from that big scary monster!

KAYLA

Ah Teddy, you're not gonna do anything crazy to your kid right?

TEDDY

No. Of course, not.

Teddy deviously smiles into the camera.

**SUPER: CHRISTMAS MORNING**

**INT. LIVING ROOM - DAY**

In a Christmas themed living room. Two Parents watch their little girl open up a present under the Christmas tree.

In the box a sweet innocent looking teddy bear.

The girl's eyes twinkle with joy.

TEDDY

Love me bitch!

Teddy jumps out of the box onto the girl's face, tackling her to the ground.
